Roger,

Thank you for the information. It has been passed on to the Minerals Secretary so she can indicate you've granted approval to work with Mindy.

Please contact John Blake at SITLA (another government agency) as the Barney and Klingon sites are SITLA mineral. His contact information is: 538 5152 or [jblake@utah.gov](mailto:jblake@utah.gov) You may be required to obtain a mineral lease through them.

If you need any further information at this time, please contact me. Please contact Lynn for any considerations for special bonding arrangements for the Elite Rock West site.

Beth

**Penny and Pam: PLEASE SEND THIS EMAIL TO THE FILE (S/049/0050) and permits on SITLA (S/049/0060 and S/049/0055) thank you**
